In this framework and from an EU VAT standpoint, it is specified that OE Management Company is acting as disclosed agent (i.e. "intermédiaire transparent" in French) for tax purposes, meaning that it is acting in the name and on behalf of ARSENALE EXPRESS towards the customers.

OE Management Company will provide the booking and customer care service to the Client, regulated by the present agreement. The price of the abovementioned service is included in the price of the Trip, as an ancillary service of the main transport service.

The Client acknowledges that throughout the booking process, their sole point of contact is OE Management Company and during the course of the journey, their point of contact will be ARSENALE EXPRESS.

4. SERVICES

The Trip

The Trip (as a global and unique transport service from a tax perspective) – provided by ARSENALE EXPRESS – includes the following services:

Rail transport service on board the Train between the destinations offered on the Website as indicated – with the relevant time of departure and price – in the information of booking that the Client shall receive by e-mail.

Accommodation on board the Train.

Full catering service (breakfast, lunch, dinner) with the exception of the *a la carte*/paid items indicated as such on Website.

For information only, the stopover cities of the Train.

The Trip might also include activities as described on the Website.

Catering and accommodation services, provided as a part of the rail passenger transport, cannot be purchased separately from the main carriage service, regulated by the GCC, which in fact constitutes the main service of the Trip. Therefore, from an Italian VAT perspective, all of these indivisible services should not be considered as separate services in their own right due to the fact that they are strictly instrumental and ancillary to the carriage service sold to the Client according to the Circular Letter No. 37/E/2011.

Due to the Trip being a train journey with accommodation, the duration of the Trip depends on the cities of departure and destination and therefore cannot be changed by the Client, unless the Client chooses to interrupt the Trip during one of the Train's stopovers. In this case, in light of the nature of the Trip and therefore of the material organisational commitments and costs that the Trip requires the full price of the Trip shall be retained, without the possibility of the Client to obtain a refund for the part of the Trip not taken.

Each of the Trips constitutes a unique and indivisible product, the content of which is detailed on the offers appearing on the Website. All Trips are subject to availability.

Due to the indivisible nature of the product offered, which is sold at a global price, the Client is informed that it is not possible to separately purchase the catering and/or accommodation, i.e. without the main carriage service.

The Trip is understood to be “per unit”, the Participant shall share the cabin with another Participant registered on the same Contract and/or booking number. A Participant who is registered individually on the Contract and/or booking number shall be accommodated in a cabin at an additional cost.

The essential features, dates of availability, price, options offered and payment conditions applicable to the selected fare (warranty policies, cancellation conditions, check-in time, member fare conditions, etc.) are presented during the booking process as described in Articles below.

The Client may make a special request or express a particular need to OE Management Company concerning their stay of a Participant, at least one week before departure. The request shall be dealt with on a case by case basis and shall be subject to confirmation of written acceptance of the request from OE Management Company, based on its possibilities.

The Client is requested to inform OE Management Company (at least 30 days prior to departure) of any special dietary requirements of one or more Participants, so that they can be taken into account as far as possible during the Trip. The Client is informed that due to the constraints of the Trip, it shall not always be possible to offer an alternative meal to the concerned Participants. However, they shall be informed of any meals which should be avoided.

Specific and additional services

At the Client’s request, specific services for corporate events may also be included in the services offered to the Client and the Participants and may be requested until the date of the departure. They will be subject to quotation and subject to the availability of such services. Those services will be the subject of an independent agreement.

Any future service purchased during the Trip, and which are not part of the price of the Trip, are the subject of an independent contract, separate from any Trip sold for a lump sum price. These additional services are therefore not subject to the applicable regulatory provisions relating to the Trip. These could be a visit, a cultural or sporting activity, a medical or paramedical appointment or any other service that is not part of the Trip.

 - full payment (balance) within one hundred and twenty (120) days before the departure date.

11.2. Modification of the price

At invoicing, the price is firm, final and in euros. Nevertheless, OE Management Company reserves the right to modify the price both upwards and downwards to take into account exceptional circumstances which are limited as follows:

- a) Transport costs, particularly related to fuel costs;
- b) Fees and taxes relating to the services offered;
- c) The exchange rates applied to the trip or stay in question.

During the twenty (20) days preceding to the scheduled departure date, the price fixed for the Trip may not be increased.

In any event, a price increase of more than eight percent (8%) of the price stated in the Contracts of the Trip shall be considered substantial.

The Client is entitled to request a price reduction corresponding to the decrease in the costs referred to in (a), (b) and (c) above, occurring after the conclusion of the Contracts of the Trip and before the start of the Trip.

11.3. Payment

Payments by bank transfer shall be made following contact with Call Center operated by OE Management Company.

When booking via the Call Center, the Client indicates when it is a bank card, the bank card number, without spaces between the figures, as well as its expiry date (it is specified that the bank card used shall be valid at the time of the stay) and the visual cryptogram to OE Management Company or may request to receive a link to the payment platform via email.

ARSENALE EXPRESS has chosen Stripe to secure online payments by bank card. The payment shall be accredited in favour of ARSENALE EXPRESS, in a bank account in its name.

The Client's payment card is subject to a validity check by these partners and may be rejected for several reasons: stolen or blocked card, limit reached, input error, etc. In the event of a

problem, the Client shall contact their bank and OE Management Company to confirm their booking and payment method.

The online payment methods (cards, wallet, etc.) available and mentioned on the payment page of the Website, can be Visa and Mastercard, American Express, JCB, Diners, China UnionPay, Post Finance, ELO, Bancontact, Sofort, iDeal, Przelewy24, PayPal, Alipay, WeChat, Sharegroop, Banque Casino. This list is subject to change.

The Client shall be able to show any relevant elements and proof of identity to prevent credit card fraud.

The Client shall receive an invoice in electronic format at the email address provided at the time of booking; if the Client wishes to receive a hard copy of their invoice, they shall expressly request it.

11.4. Deposit

Unless expressly agreed otherwise, the Client shall deliver an amount as a deposit when signing the purchase order, which is a security granted by the Client to secure its own obligations under those Contracts for the Trip. For avoidance of doubts, such a deposit is not, and shall not be treated as, an advance payment ("*anticipo*") of the price of the Trip due under this Contract.

In the event that the Client does not pay the deposit or the price of the Trip, after having been officially warned, OE Management Company, shall be entitled to cancel the Contracts of the Trip by operation of law and, unless otherwise provided by a mandatory provision of law, to charge the indemnification provided in Article 10.

Upon payment of the price of the Trip, the Client may partially offset its obligation to pay such price against the receivable arising from the deposit.

11.5. Pre-mandate

At boarding, a mandate request (also known as a "pre-mandate") may be sent to the Client's bank on their bank card for a fixed amount to cover any consumption or expenses incurred by the Client during the Trip. This fixed amount is set at five hundred euros (€500) per person. The Client may also choose that the pre-mandate will be charged to the Participants. In this case, the staff on-board will request the Participant to communicate their bank card details at the boarding.

The pre-mandate request is not an immediate debit but corresponds to a reserve for later payment, authorised by the Client's bank, which temporarily reduces the limit of the bank card used to guarantee the possibility of a later debit. However, in some cases, depending on the Client's bank, the pre-mandate request may appear as a pending debit on the bank account associated with the card used. Once the pre-mandate request has been activated and confirmed by the bank, any consumption or expenses incurred by the Participants onboard shall be payable by the Client or the Participants on the day of departure.

It should be noted that it usually takes twenty-four (24) to forty-eight (48) hours for the release of the pre-authorised amount (or refund) to be taken into account, but it can take up to seven (7) working days or more, depending on the holder's bank.

In order to activate a pre-mandate request, the Client is asked to provide their bank card details when taking out a booking warranty.

The Client is informed in advance of the characteristics of the pre-mandate request. Bank card data is only stored by OE Management Company's payment service provider, within the framework of a strict security policy for bank data.

The Client or the Participants are liable for all damage, material or immaterial, caused by them during the Trip and shall bear all costs arising from such damage and/or non-compliance with the above rules. It is up to each Client to provide this privacy notice to the Participants, and, when necessary, to obtain the Participant's consent in compliance with the applicable regulations.

When the Client uses the Website or calls the Call Center, in particular when making a booking, OE Management Company, as an entity of the Accor group, shall process personal data related to the Participants under the conditions described in the “*Personal Data Protection Charter*” which can be accessed under the heading “*your personal data and your right*” in the bottom of the Website, at the bottom of the confirmation e-mail received by the Client and the Participants after the reservation or by clicking on the following link: [Legal Information - La Dolce Vita \(orient-express.com\)](https://www.orient-express.com/legal-information).

The Client and the Participant are informed, on each of the personal data collection forms, of the compulsory or optional nature of the answers and information by the presence of an asterisk.
